Upgrade license

Upgrade licenses for the RUCKUS ICX7750 will remain available for purchase after the end of sale date and through the end of support date. The following are the upgrade licenses that will remain available for purchase.

Part number	Description
ICX7750-L3-COE	Certificate of Entitlement to use routing and advanced functionality. Without the Certificate of Entitlement, customers may use base Layer 3 features: VRRP, RIP, and static routes. Other Layer 3 features are considered advanced and require the ICX7750-L3-COE. The Certificate of Entitlement is serialized paper that is not tied to a particular switch; no activation is required.

Discontinued support

Support SKUs related to the RUCKUS switches listed above will go end of sale per the following schedule. Support ends on December 31, 2028. While support will continue to be sold up until that date, it will be prorated to end on that date.
